INDEMNIFICATION AND HOLD HARMLESS AGREEMENT:**

In consideration for the RGH Foundation allowing me to be present and/or shoot skeet, and recognizing that the sport of skeet shooting potentially involves substantial risks and hazards to persons and property, both known and unknown, including inexperienced or careless shooters, equipment failures, and other potentially dangerous factors capable of causing serious bodily injury and including negligent acts or omissions by other shooters, I hereby waive any claim or cause of action to which I may be entitled as a result of my presence at the Shoot for Good Health 2023 Skeet Shoot against the **RGH Foundation and/or its officers, directors, members, agents, employees and volunteers and the Idsinga Dairy and/or its officers, directors, members, shareholders, agents, employees and volunteers.** Additionally, I assume the risk of all such potential injuries and damages, whether foreseeable or not and I agree to indemnify and hold them harmless from any claims, harm, damages or injuries which I now or hereafter may suffer resulting from my presence at this facility, whether instituted by me or any other person. I do not waive any claim or cause of action against any individual who negligently or intentionally causes bodily injury or property damage to me.
